Dr Nguyen Feese is a teacher, a teacher educator, a development consultant, and an advocate for inclusive education. She has extensive experience in the design and implementation of development programmes. With skills in strategic planning, policy influencing, programme implementation and supervision, facilitation and training, Institutional and Organisational Development.

Nguyen has worked on several development programmes to support relevant federal and state Ministries, Department and Agencies (MDAs) to design and implement pro-poor programmes and carryout institutional and organisational reforms. Using innovative approaches, Nguyen has led a team of national and international experts to design training programmes and to develop materials to improve extensively inclusive learning.

Nguyen holds a Ph.D. in Guidance and counseling, A master Degree in Educational Administration (M.Ed), A Master in Public Administration (MPA), A Bachelor of Arts in English Literature, and a Graduate Certification in Education. She is also a certified Trainer with the Teacher Registration Council of Nigeria (TRCN), Member Nigeria Institute of Management, Member Nigerian Institute of Public Relations and Member Counseling Association of Nigeria
