Prof. Dr. Dalia Mostafa Osman

- Medical Doctor Degree in Phoniatics
- Certificate of Clinical Competence from the American Speech-Language-Hearing Association (ASHA) in Speech & Language Pathology
- Professor of Phoniatrics at Faculty of Medicine, Cairo, Egypt

Dr. Dalia Mostafa has been working in the field of speech and language pathology for more than twenty five years. She is a Professor of Phoniatrics at Otolaryngology Department, Faculty of Medicine, Cairo University. She holds a Bachelor degree of Medicine & Surgery, a Master Degree in Phoniatrics and a Medical Doctor Degree in Phoniatrics.

Dr. Dalia has been awarded the Certificate of Clinical competence from the American Speech-Language-Hearing Association (ASHA CCC-SLP), USA. She is also a member of Hanen Program, Canada.

Dr. Dalia is the founder & the professional director of the Speech and Language Clinic (SLC) where she provides professional development and parent training courses in addition to bilingual (Arabic & English) clinical services for children and adults having communication disorders including, but not limited to: speech, language, voice, oral motor, and language-based learning difficulties. In addition, she provides workshops, and courses to parents, teachers, and professionals working in the fields of special needs, special education and communication disorders. She is also interested in increasing public awareness concerning evidence-based practice in speech and language evaluation as well as intervention. Additionally, she regularly works on creating & publishing assessment and rehabilitation tools that can be used with Arabic speaking children, students and patients having communication and/or hearing problems.

Dr. Dalia is the author of REAL Scale (Receptive Expressive Arabic Language Scale), ACB (Arabic Curriculum Builder), Hearing Intervention Program from A to Z, A Proficient Preschooler Language Evaluation Tool (APPLE Tool), Verbal Praxis Kit, Arabic Language Training Levels, Aphasia Placement & Rehabilitation Program, Auditory Rubrics& Sounds Around Us.

Dr. Dalia was granted the Award for Continuing Education (ACE) from the Continuing Education Board of the American-Speech-Language Hearing Association; twice in 2014 and 2018.
