Meredith Tekin is the President of the International Board of Credentialing and Continuing Education Standards (IBCCES). After years working in healthcare, marketing, professional development and nonprofit spaces, she joined IBCCES to help further its mission. She has shared the impact of IBCCES' work at many international and domestic industry conferences and is a key liaison for IBCCES partners. Meredith understands the purpose-driven components of neurodiversity and cognitive disorder training as well as the critical industry-specific metrics and benefits of certification. Meredith graduated cum laude from University of North Florida with a degree in communications and is a Board Certified Cognitive Specialist through IBCCES.
